

# Cloud Control Pub Crawl

**Departure from the Cloud Control Roll up, December 8 at 19:30**

**No registration needed – Just show up!      Everyone on their own budget!**

In order to give people interested in cloud control a chance to mingle and get to know each other better, we encourage everyone to join a relax pub crawl, with opportunities for everyone to eat and/or drink on their own budget.

As we are more interested in spending time together than in the actual crawling, we have selected The Victoria Pub as our primary target and picked a couple of others more as back-up alternatives in case Victoria gets crowded and people want to split in subgroups and re-join during the evening. If hungry, Victoria is a good place to have a meal.

Notably, all places closes at 23:00 except Fountains Abbey that closes at 23:30.

## **Primary destination**

**The Victoria pub** (6 min walk from conference Venue)

Address: 10A Strathearn Pl, London W2 2NH.

Phone: +44 20 7724 1191
